The Main Stream Media (MSM) is so full of lies that it has the masses confused!! There are only a few places we can get the truth: Via alternative, independent journalism.

Chelsea and Julian were two of the most important WHISTLE BLOWERS to tell the truth about USA's illegal, immoral WARS. USA is one of the largest TERRORIST countries in history; killing, wounding, and forcing emigration on millions (did you know that there are 65+ million migrants all over the world?)

Saving Chelsea and Julian is EXTREMELY IMPORTANT to the working class and its allies! They told us the truth about the wars! As a result, all the New McCarthyism (phony Russia Gate conspiracy led by the New York Times) is blaming Julian for "being a puppet of Russia." So many of our current crises stem from HONEST TRUTHS revealed by Chelsea & Julian! That's WHY the RULING CLASS imprisoned them and wants them DEAD.

Please write letters of actions and support to Chelsea & Julian:

Chelsea Elizabeth Manning, William Truesdale Adult Detention Center, 2001 Mill Road, Alexandria, VA 22314.
(ONLY hand- written, NO post cards, NO pictures, and nothing written on the outside of the letter)
